Marschall Tablets 10 pack

These tablets contain no animal products, are gluten free and Non-GMO. Each tablet is scored into 4 segments for ease of use.

INGREDIENTS: Microbial coagulant (Mucor Pussillus and/or Mucor Miehei), Cellulose Microcrystalline and Sodium Chloride USP

YIELD: 1/2 tablet will set 2 gallons of milk in approximately 45 minutes at 86-95F. Ten tablets will set approximately 40 gallons of milk.

DIRECTIONS: Crush desired portion of tablet and dissolve in 1/4c. cool, non-chlorinated water. Add to milk when specified in recipe. Stir to distribute thoroughly. **NEVER** keep part of rennet solution for later use. When using store bought milk you may need to add a little more rennet.

STORAGE: Store rennet tablets in the freezer. They will last at least 3 years if stored properly.
